To: Mr. A. C. Britton /
Dr. R. H. DuPuis ✓

Date: July 9, 1958

From:

R. P. Roper

Subject:

With respect to communications with the Federal Trade Commission on the adoption of standards, it is requested that the following procedure be followed. --

After collaborative testing by Quality Control and Research, the results, and any comments as to testing procedures, should be cleared with Counsel for transmission to that Commission.

Responsibility for following this procedure of collating the results and comments, and transmitting them to Counsel, should rest with the Research Department.
